Dear Select Health Provider:

We are pleased to announce that you may now begin enrolling in the Electronic Funds Transfer (EFT) program through Emdeon Business Services, our EFT partner. After logging on to Select Health's Provider Center at www.selecthealthofsc.com, simply click on the EFT link to Emdeon, and you will be on your way to receiving funds electronically. Emdeon's easy to follow EFT enrollment instructions will walk you through the process. Enclosed with this letter are Frequently Asked Questions (FAQs) about EFT.

Emdeon ePayment can simplify the payment process by:

- Providing fast, easy secure payments
- Reducing paper
- Not requiring you to change your preferred banking partner
- Simplifying your bank connectivity when multiple banks are required
- Managing provider enrollment and authentication
- Eliminating checks lost in the mail
- Enabling you to view multiple payers in one easy-to-use application

Once you receive an e-mail confirmation that your EFT account has been activated, you can expect an electronic funds transfer within the next two weeks. Currently, you should receive Select Health's EFT deposits on Fridays.

Emdeon Payment Manager

Once you begin receiving your payments electronically, your paper remittance advice will be discontinued after 90 days. However, you can always view and print your remittance advice online at Emdeon's website using Payment Manager. For more information about this exciting new service, visit www.emdeon.com/ProviderSolutions/provider_services_era.php.

Also, this may be a good time to consider Electronic Remittance Advice (ERA). Emdeon's customer service staff can assist you in signing up for ERA by calling Emdeon at 1.877.363.3666.

EFT and ERA are fast and convenient ways to help streamline your administrative processes. As always, feel free to call us at 1.800.575.0418 if you have any questions. Sign up today!
