

September 22, 2011

Dear Select Health of South Carolina Provider:

With Respiratory Syncytial Virus (RSV) season approaching, here is a reminder of our prior authorization process for Synagis®.

Select Health, in conjunction with our pharmacy benefit administrator PerformRx, will approve the administration of Synagis® from Nov. 1, 2011, to March 31, 2012, for First Choice members who meet prior authorization requirements. Doses will be limited to a maximum of 3 or 5 depending on gestational age, chronological age and clinical condition. For a copy of our criteria, please visit the Pharmacy section of our website at [www.selecthealthofsc.com/firstchoice](http://www.selecthealthofsc.com/firstchoice).

We have enclosed a prior authorization form. Please complete the form and fax it to PerformRx at **877.693.8483**. If you need help completing the form, call **866.610.2773**.

If you choose to administer Synagis® in your office this year, you can bill Select Health directly using CPT code 90378, or we can ship the drug via our preferred Synagis vendor, CarePlus Specialty Pharmacy, located in Columbia, S.C. CarePlus can be reached at **800.619.2531**. Select Health will reimburse your office for the nurse visit or drug administration. Please use CPT codes 99211 or 96372.

If you have any questions about Synagis® administration, please call PerformRx at **866.610.2773**.

Sincerely,

Fred Volkman, MD  
Chief Medical Officer
