

Date: April 29, 2010  
Time: 11:00 PM Newscast  
Station: WCIV ABC 4, Charleston, SC

Anchor: Back here at home College of Charleston coach, Bobby Cremins, reaching out to kids with asthma.

Bobby: I want them to you know, get going and just forget about any thoughts of their asthma holding them back from participating.

Anchor: The event, Healthy Hoops, will run kids through drills and show them that yes, they can play hoops, even with asthma. It's a free clinic starting at 9:00 AM over at Burke High School.
