The S.C. Tobacco Quitline is excited to offer Click to Call, a FREE feature that will connect website visitors directly with the Quitline.

What is Click to Call?

Click to Call is a button that resides on a web site that initiates a telephone call into the S.C. Tobacco Quitline.

Placing a Click to Call button can help you promote the Quitline by:

❖ Providing an easy way for participants to connect via phone; and

❖ Making it easy for participants to contact their Quit Coach™ for any reason – whether they're dealing with a craving, have a question about medication, or just want to talk about their quit experience.

How does Click to Call work from the participant's experience?

The participant simply:

❖ Clicks the button on the web page;

❖ Enters the telephone phone number where he or she wants to be reached and a time frame for receiving a call; and

CLICK TO CALL
Speak with a Quit Coach now!

❖ Clicks "submit."

His or her phone will ring within the selected time frame, and the participant is connected with the S.C. Tobacco Quitline.

What do I need to do to get the button on my site?

❖ Request the button by contacting Dr. Katy Wynne at wynnekl@dhec.sc.gov or 803-545-4464.

❖ We will email you or your designated web developer the code to place the Click to Call button on your site.

❖ The code needs to be implemented by someone familiar with HTML code and the code of the web pages where the Click to Call button will be placed.

❖ The button is available at no charge to you. It is a service of the S.C. Tobacco Quitline.

Who sponsors the S.C. Tobacco Quitline?

The Quitline, a service available at no cost to all South Carolinians, is a partnership between the S.C. Department of Health and Environmental Control and Free & Clear®, Inc., a Seattle-based tobacco treatmentprovider with experience running quitlines in 28 states. The Quitline is open from 8 a.m. to 3 a.m. seven days a week by calling 1-800-QUIT-NOW (1-800-784-8669).
