

What is the CAC?

The CAC is a group made up of community partners and First Choice members. To help make sure we provide the best care for our members, we created the CAC. It's a way to get your voice heard. With your help, we can better understand our members' needs.

What would I do?

If you join the group, you would take part in CAC meetings. The CAC meets four times a year to share feedback about the plan, better understand the member experience, and give ideas about how to improve our benefits and services.
